

Harris County Precinct 7 Bids a Fond Farewell to Deputy Willie Fields

After eight (8) years of service, Harris County Precinct 7 bids a fond farewell to Deputy Willie Fields.

In brief ceremony, Monday, January 14, 2013, Constable May Walker presented Deputy Willie Fields with a plaque adorning his retired badge as a token of appreciation for exemplary work and outstanding dedication. Deputy Fields was a member of the department's Civil Division.

Constable Walker expressed gratitude to Deputy Fields for a job well done. Known as a man of few words, Deputy Fields expressed, "I have served under ten police chiefs but working for Constable Walker has been my favorite."

Fields began his career in law enforcement as a patrol officer with the Houston Police Department. He was a member of the police force for over 37 years. When asked what he attributed to having such a long and successful career in law enforcement, Deputy Fields stated, "I treated people the way I wanted to be treated and because of that I did not have one sustained complaint."

Fields' commendable work ethic and attention to detail will definitely be missed by all but especially by fellow deputies of the Precinct 7 Civil Division and the division's supervisor, Lt. Anil Sharma.
